

## The Best Friends Network

The Best Friends Network is comprised of thousands of public and private shelters, rescue groups, spay/neuter organizations and other animal welfare groups in all 50 states. We are a coalition committed to saving the lives of cats and dogs through collaboration, information-sharing and implementation of proven lifesaving strategies.

### Network partners get these exclusive benefits:

- **Advice and mentorships** from experienced animal welfare professionals
- **Grant opportunities** and help with fundraising
- Access to a private Facebook group, where partners can collaborate with others across the country and find valuable resources

### Free resources for everyone

The Best Friends Network free resource library contains a wide variety of tools to help improve program operations, increase lifesaving efforts, and expand the level of service offered to people and animals. These resources are available to all shelters, rescue groups and other animal welfare organizations. **Our resources include:**

- **The lifesaving library**, full of operational playbooks, manuals and resources on topics like animal care, community cats and fundraising
- **Best Friends town halls**, a series that brings together thought leaders from Best Friends and across the industry to provide insight and lifesaving solutions
- **Innovative tools** to help with setting strategic goals, identifying next steps and tracking lifesaving progress
- **Resources for animal control officers** and municipal shelters
